

Sponsored Bike Ride

A sponsored bike ride in aid of **Redearth** Education will take place on Saturday 17th May, 2008. This will be in and around the Cirencester and Cotswold Water Park area. Participants should each pledge to raise a minimum of £100 sponsorship. 50 people raising £100 each, gets a tenth of the way toward this year's funding target in just one day. Application and sponsorship forms are on the **Redearth** website: redeartheducation.co.uk A detailed route map will be posted on the website nearer the time and will also be handed out on the day.

Please try to set the day aside for what promises to be lots of fun, and also try to persuade at least one other person to take part as well.
