

Lots of Letters

We have been communicating with our Pen Pals (Isagara friends) by writing letters! Isagara School really like getting letters from us and they really treasure them to there heart!! We have also made letter and they will get going with Mrs Davies and Mrs Holland!! We really enjoy sending letters because it's a fun and creative way of communicating and making friends at Isagara School! When we send colourful letters the children get really really happy and they just keep all the letters they get because they just love them!! We also send postcards and decorate them!! We have been recently making letters and are really enjoying that!! We like telling them about our self and be good friends because its nice to have friends in different parts of the world!!

Here are some letters and postcards!!
